Signature: _____

Date: _____

Requirements: By signing this bid, bidder understands and agrees to the terms of the removal of the entire pile of material at the 25 acres in Schurman Way. The Port is not responsible for the security of the material or any and all equipment on the site as part of this operation. The bidder must remove all material no later than May 30, 2019 or the remaining material will be removed and billed to the bidder for failure to meet the conditions of the bid requirements. There will be no extensions for any reason for the material removal. The amount of material is approximately 7,500 cubic yards and is an estimate. The material is sold as is and we do not guarantee the quality of the material.
