

HIGH SPEED FIBER INTERNET

Dear Neighbor,

We are excited to have you as a future Customer! As you may know HIGH SPEED FIBER INTERNET will soon be at your doorstep and ready for hookup soon. We are a locally owned company that will be working with the Port of Woodland to make sure everyone gets hooked up as soon as possible. Feel free to visit our website at www.rfninternet.com and sign up for a fiber internet plan you are interested in. Once you are sign up you will be able to order your fiber modem so there won't be any delays getting you up and running. We look forward to serving you all and offering top of the line customer service.

See you Soon,

-The RFN Team
