

Port of Woodland Commission Special Meeting

The Port Commission invites the public for a conversation regarding Austin Point and proposed future industrial development, the Port's role in recreation and Martin Bar Boat Launch, and the Comprehensive Scheme Plan. City and County staff will also be available to provide information on land use, process and any SEPA process questions the audience may have regarding the projects.

April 19, 2016 at 6 P.M.

**200 E. Scott (Police Station) in the Woodland City
Council Chambers**
